Sir:

Pursuant to 37 CFR § 1.97, the Examiner's attention is directed to the documents listed on the attached forms, which documents may be material to the examination of this application and those copies of any documents enclosed herein. The Examiner's attention is also directed to the following General Remarks.

GENERAL REMARKS

No inference should be drawn that the list sets forth a comprehensive investigation of the prior art, that any or all are pertinent to the invention, or that any apparatus disclosed is equivalent to the subject application. The citation of the above listed documents is not to be construed that more pertinent art could not possibly be in existence.

This submission is not an admission that any enclosed reference anticipates, or that any reference or any combination of references renders obvious, any claim in the above-identified application. Nevertheless, the Examiner is requested to consider carefully the complete disclosures of the enclosed references in connection with the examination of the above-identified application. It is respectfully requested that the listed reference be made of record and included in the "References Cited" portion of any patent issuing from this Application.

Respectfully submitted,
BAXTER INTERNATIONAL INC.
